PERSONAL PROFILE

Hello! My name is Okeke Andrew Nwabueze. I don't have the ability to control humans but I have one superpower; to command one of humans' greatest achievement: the computer, which makes me feel like a god. My interest in web development started back in 2016 when I edited some images. My brother who is a senior backend developer, was amazed and he advised me to go into web development and Boom!

Here I Am!!!
